Dear «Letter_Title» «Last_Name»:

Subject: Reconstruction to Improve Capacity and Reduce Congestion
KY 236 (Donaldson Highway) and KY 3076 (Mineola Pike)
Item Nos. 6-444 and 6-445
Boone / Kenton Counties
Stakeholders/Local Officials Coordination

The Kentucky Transportation Cabinet (KYTC) has developed preliminary designs for alternatives to improve the capacity and reduce congestion along KY 236 (Donaldson Highway) and KY 3076 (Mineola Pike). KYTC is inviting you as a Stakeholder/Local Official to participate in a Virtual Open House and provide input on the reconstruction projects along KY 236 from KY 3076 (Mineola Pike) to KY 842 (Houston Road), and along KY 3076 from KY 236 (Donaldson Highway) to I-275.

Project details are located at <https://transportation.ky.gov/DistrictSix/Pages/default.aspx> and are available for comment via virtual access through Wednesday, September 30, 2020.

The purpose of this Virtual Open House is to gather comments on known issues, receive feedback about the project's goals and objectives, and identify concerns regarding the proposed improvements. If you require special assistance, have questions or need additional information, please contact me, Mike Bezold, at (859) 341-2700 or Mike.Bezold@ky.gov.

Sincerely,

Mike Bezold

Mike Bezold, PE
Project Manager
KYTC, District 6
