

## Questions & Answers, September 19, 2019

1. Question: Will there be a location where we can see any questions asked about these projects and the Department's responses to them?

Answer: If an appropriate question is asked that need to be communicated to all consultants then KYTC will post the answer to that question on the KYTC District 10 website.

2. Question: Will a survey report be supplied with the LIDAR mapping and manuscripts?

Answer: A survey report will not be supplied with the LiDAR mapping. However, LiDAR data was obtained using Kentucky State Single Zone Coordinates.

3. Question: What is the approximate fee for each TAP project?

10-209 – Perry County - \$550,000

10-210 – Powell County - \$400,000

10-213 - Magoffin County - \$700,000

4. Question: Which newspaper(s) will the advertisements be posted in.

Perry County – Hazard Herald

Powell County – Clay City Times

Magoffin County – Salyersville Independent

The ads will not be posted online and they will only appear in the print versions.
