Public Meeting Scheduled for Summer Shade Bypass Project in Metcalfe County *Meeting Scheduled for Tuesday, May 3 from 4 p.m. to 6 p.m. at Refuge Church of Christ*

Bowling Green, Ky. (April 26, 2016) – A public meeting for the Summer Shade Bypass project in Metcalfe County has been scheduled for Tuesday, May 3 from 4 p.m. to 6 p.m. at Refuge Church of Christ in the Eighty Eight Community. The church address is 9051 Burkesville Road, Eighty Eight, KY 42130.

The purpose of this public meeting is to present the various alternatives that have been developed for the Ky. 90 Summer Shade Bypass project, and collect feedback from local residents, businesses, traveling public and other parties of interest. To assist in the design and development of this project, the Kentucky Transportation Cabinet (KYTC) requests that the public provide comments regarding this project in general, as well as preferences regarding individual alignment alternatives.

There are five alternatives available for this project. There are three northern alternatives and two southern alternatives. There will be displays along with personnel onsite to help with any questions. A survey will also be handed out to be turned in at the meeting or mailed to the District 3 Office in Bowling Green by May 27.

In accordance with the Americans with Disabilities Act (ADA), if you have a disability for which the Transportation Cabinet needs to provide accommodations, please notify Wes Watt of the necessary requirements no later than 12 p.m. CT, May 2, 2016. This request does not have to be in writing. Please call 270-746-7898 or Wes.Watt@ky.gov.
