

SURVEY

Please complete the survey below and leave this form in the collection box at the Sign-in Table. If you wish to complete this form at home, please return via mail to the address provided at the end of the survey by May 24, 2023.

1. How frequently do you travel the US 60 between KY 950 and KY 492? (Please check one of the below.)

- Daily
- Several Times a Week
- Several Times a Month
- Less than Once a Month
- Almost Never

2. Given the picture of the US 60 project below, please rank the **Top Four** problem areas identified by the letter icons. List 5 areas (1 being the most problematic and 4 the least) using the corresponding letter indicated in the picture. Please assign one of the available reasons listed below. More than one reason may be used for a selected area.

RANK	AREA	REASON	AVAILABLE REASONS TO CHOOSE FROM
1			CLEAR ZONE – Narrow shoulders with obstacles near the roadway. Little space for vehicle to recover.
2			ROADWAY GEOMETRICS – Substandard roadway alignment with sharp curves and sight distance issues.
3			SAFETY – Areas considered to be accident prone or does not meet driver expectations.
4			OTHER – Please describe in Question #8.

3. Are you aware of any environmental sensitive features (i.e.: socioeconomic resources, natural resources, historic resources, public facilities, flooding issues, etc.) within the project area that the design team should know about?"
