

ADVISORY

BE AWARE

Conditions are expected to cause significant inconveniences that may be hazardous.

WATCH

BE PREPARED

Severe winter conditions, such as heavy snow and/or ice, may affect your area but the location and timing are still uncertain. (Issued 12-36 hours in advance of a potential severe storm).

WARNING

TAKE ACTION

4+ inches of snow or sleet are expected in the next 12 hours, 6+ inches in 24 hours, or $\frac{1}{4}$ inch or more of ice accumulation is expected. Minimize driving. (May also be issued if the storm is expected to hit during high-traffic times).
