

Department of Highways Internship Program Application

Date of Birth:	FName:	_LName:
Address: Email: Phone Number: Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding		
Email: Phone Number: Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications	Date of Birth:	
Email: Phone Number: Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications		
Email: Phone Number: Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding	Address:	
Phone Number: Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding		
Phone Number: Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics		
Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding	Email:	
Current School/College (if applicable): Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding		
Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding	Phone Number:	
Year Graduated High School: Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding	Current School/College (if applicable):	
Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding	Current School/ College (ii applicable).	
Check which area you are interested in. Diesel Mechanics Engineering (civil) Heavy Equipment (must be at least 18) Network Communications Welding	Year Graduated High School:	
□ Diesel Mechanics □ Engineering (civil) □ Heavy Equipment (must be at least 18) □ Network Communications □ Welding	-	
□ Engineering (civil) □ Heavy Equipment (must be at least 18) □ Network Communications □ Welding	Check which area you are interested in.	
□ Engineering (civil) □ Heavy Equipment (must be at least 18) □ Network Communications □ Welding		
☐ Heavy Equipment (must be at least 18) ☐ Network Communications ☐ Welding	☐ Diesel Mechanics	
□ Network Communications □ Welding	☐ Engineering (civil)	
□Welding	\square Heavy Equipment (must be at least 18)	
	☐ Network Communications	
□Other:	□Welding	
	Other:
