

TRANSPORTATION CABINET

Kentucky Transportation Cabinet (KYTC) provides a safe and reliable transportation system and services for our state. Our engineers have the opportunity to work on teams, and manage a variety of both small and large-scale projects to gain experience in planning, design, construction, structures, materials, traffic, maintenance, right-of-way, utilities, and environmental analysis. There are many opportunities to receive multiple certifications and training to grow their careers.

BENEFITS INCLUDE:

- Annual & Sick Leave
- Paid Holidays
- Health Insurance
- Life Insurance
- Investment Options
- Retirement Benefits
- Training Opportunities
- Professional Certifications
- Licensing Assistance
- Professional Development
- Advancement Opportunities
- Regular Scheduled Work Hours
- Flex Time (when available)
- Overtime Opportunities
