The background of the slide features a blue gradient with a white silhouette of the state of Kentucky on the left. On the right, there is a photograph of a park with trees and a fence. The text 'FHWA' is at the top in large white letters, followed by 'Environment, Planning and System Performance' in a slightly smaller white font. The text 'Columbus-Belmont State Park' is written in small white letters at the bottom right of the image area.

FHWA Key Program Assignments

Kentucky Division Office

Columbus-Belmont State Park

- Projects of Division Interest (PoDI) – Our staff has recently updated and shared with KYTC leadership our most recent PoDI list, which now includes approximately 40 projects covering the State.
- Alternative Contracting Methods
 - I-Move KY project in the Louisville area,
 - New interchange at I-275 and Graves Road near the Cincinnati Airport,
 - I-75/I-71 interchange improvements over Mt. Zion and Richwood Roads (recipient of a recent \$67-million INFRA Grant),
 - Bridging-Kentucky's 100+ bridge program in Eastern KY, and
 - I-75 Lynn Camp Creek bridges in Southeastern KY
