Owner Signed MOU with Agreement Prior to Design Revision

Unless otherwise stated, Property Owners state that no drainage outlets such as pipes, sump pump outlets, gutter downspouts, or septic system drainage of any kind, currently extend onto the existing right of way.

In addition, the parties agree as follows:

An entrance will be constructed from the frontage road at approximate Station 1335+00 (right) on Ky 31E with the construction of this project. The property owner will grant a consent and release and/or a temporary easement to construct this entrance for no additional compensation.
