**Central Kentucky
Damage Prevention Council**

COUNCIL MEMBERS ARE REPRESENTATIVES FROM:

- Pipeline Companies
- Electric Companies
- Municipalities
- Construction Companies
- Government Agencies

MISSION STATEMENT

The Central Kentucky Damage Prevention Council was created to promote public safety by bringing together underground facility operators, governmental agencies, excavators, industry associations and service providers to address issues related to reducing damages to underground facilities, to provide cooperation and coordination of construction activities and to improve communications, involvement and commitment to excavation safety.

MEETING PARTICULARS

Regularly Scheduled Date:

First Friday of Each Month

Time:

10:00 a.m. until 12:00 noon

Location:

Golden Corral Steak House
185 East New Circle Road
Lexington, Kentucky

Our First 811 Promotional Event Kids Safety Day Versailles, Kentucky September 15, 2012

While the kids were spinning the wheel to win a prize, we talked to the adults about the importance of calling 811 prior to digging. The majority of the audience that we reached that day were homeowners. We targeted projects pertinent to homeowners such as landscaping, building a deck or fence or setting a mailbox post.

NATIONAL FARM MACHINERY SHOW

LOUISVILLE, KENTUCKY

FEBRUARY 13 – 16, 2013

Our booth was a huge success! Over four days, we reached thousands and thousands of people with the 811 message. It was the second largest crowd ever to attend the Show with 307,906 in attendance.

NATIONAL FARM MACHINERY SHOW

LOUISVILLE, KENTUCKY

FEBRUARY 12 – 15, 2014

Even though snowfall and winter weather swept through the region during the Show, it was one of the top ten most attended in its 49 year history with 294,360 in attendance. We reached thousands and thousands of these attendees with the 811 message.
