

DESIGN MEMORANDUM NO. 2A-85 (Supplemental)

TO: Design Engineers
Chief District Engineers
Active Consultants

FROM: L. S. Blevins, Director *LSB*
Division of Design

DATE: May 7, 1985

SUBJECT: Traffic Control Bid Items

It has been brought to my attention that the wording "stationary signs" mentioned in the second paragraph of Design Memorandum 2-85 needs clarification. These signs are meant to be stationary signs with white letters on green backgrounds only.
