

Citizen Advisory/Environmental Justice Committee

Ballard County, KY • Alexander County, IL

Item # 01-1140.00

Advisory Committee

on

U.S. 51 Bridge Replacement Over the Ohio River

Organizational meeting set for
Thursday, November 14th
From 5:00 – 7:00 p.m., CST

**Fort Jefferson Welcome Center • 587 Ft. Jefferson Hill Road
Wickliffe, KY**

The Kentucky Transportation Cabinet (KYTC), in cooperation with the Federal Highway Administration (FHWA) and the Illinois Department of Transportation (IDOT), has initiated the preliminary design and environmental phase of project development studying improvement options for the U.S. 51 Ohio River crossing between Wickliffe, Kentucky and Cairo, Illinois.

We will be using a Citizen Advisory/Environmental Justice Committee (CA/EJC) to assist in this effort. The CA/EJC is a group of people and stakeholders who represent the community and provide comments and advice to the project team.

The organizational meeting of the Citizens/Environmental Justice Advisory Committee for the U.S. Highway 51 Bridge Replacement Project will be held on Thursday, November 14, 2019, at the Fort Jefferson Welcome Center, 587 Ft. Jefferson Hill Road, Wickliffe, KY 42087 from 5:30-7:30 p.m., CST.

While the CA/EJC will be advising the design team as planning for a new bridge moves forward over the next several years the committee meetings will be open to the public. However, initially there will be limited opportunity for public input during the organizational process.

Anyone who would like additional info on the CA/EJC may contact the U.S.51 Bridge Team at 502-339-3557.
