

Virtual Public Meeting

Planning Study to Evaluate Feasibility of an Outer Loop Around Owensboro

Owensboro Outer Loop Feasibility Study — Project No. 2 - 402 Davies County

The Kentucky Transportation Cabinet (KYTC) in association with the Owensboro MPO / Green River Area Development District (GRADD) will host a virtual public meeting on **Tuesday, June 15, 2021** to share information and request input on a study to evaluate the feasibility of an “outer loop” around Owensboro in Daviess, County, Kentucky. As part of this meeting, options for connectivity will be presented with information regarding impacts and benefits of each. Further refinement and a cost-benefit analysis will be completed after receiving your input for the most feasible corridors. A final report will be made available through the KYTC website at the study completion.

The meeting will consist of a 30-minute presentation followed by a 30-minute question and answer session. The presentation will begin at 6 pm, and then be given again at 7 pm. Representatives from KYTC, Owensboro MPO / GRADD, and the consulting firm will be present to answer questions. To request a link to access the virtual public meeting, please [RSVP](#) by Tuesday June 15, 2021. **WE NEED YOUR INPUT!**

In addition to the virtual public meeting, information about the study and a survey requesting your input will be available starting June 4th, 2021 ([CLICK HERE](#)). The survey will remain open until July 2, 2021. Comments may also be submitted via phone, email, or mail (see back of flyer for contact information) by July 2, 2021. Comments received will be taken into consideration as the project continues.

Accommodations will be made for those that do not have the resources to participate in the virtual public meeting. A link to submit a request for an in-person meeting is posted on the [KYTC District 2 webpage](#). This accommodation is only for those who do not have the capability to participate in the virtual meeting.

(270) 824-7080

Hours: 7:00 a.m.-3:30 p.m.
CST, M-F

Stay Involved!

You are encouraged to participate in the virtual public meeting on June 15, 2021 and the survey once it becomes available on June 4, 2021 until July 2, 2021.

These corridors are preliminary and represent areas wide enough to accommodate variations based on further evaluation and input gathered from the public meeting.
