The Kentucky Transportation Cabinet (KYTC) has scheduled a public information meeting on efforts to improve safety and traffic flow along the KY 121-Bypass/Dick Castleman Bypass from KY 80 extending northward to U.S. 45/Paducah Road in Mayfield. The proposed alternative is to construct a series of 4 roundabouts at Charles Drive, KY 464, KY 58, and Andrea Drive. Douthitt Street and Housman Street will be right-in/right-out access only. KYTC is also proposing a 10 ft. multi-use path along the corridor. KYTC will soon start the design process to prepare for construction.

The meeting, at the date and location noted above, will be conducted in an open house format, allowing attendees to view a video and exhibits, talk to KYTC representatives and ask questions about the project.
