

Notice of Environmental Assessment and Project Information Availability

PUBLIC INFORMATION CONCERNING THE RECONSTRUCTION OF KY 207 GREENUP COUNTY ITEM NO. 9-8509.00 12F0 FD52 045 8360803D

The Kentucky Transportation Cabinet (KYTC) in partnership with the Federal Highways Administration (FHWA) is seeking public input by offering review of the EA and updated project information regarding proposed improvements to KY 207 in Greenup County. This is in partial fulfillment of National Environmental Policy Act requirements. The project begins at the intersection with KY 67 (Industrial Parkway) and extends east to KY 693 in Flatwoods, KY. The purpose of this offering is to present the preferred alternative for review and to collect comments regarding the project. Those participating are encouraged to provide feedback regarding the preferred alternative and property ownership. Anyone having an interest in this project is urged to participate in this virtual review of the information.

Due to ongoing health concerns and to comply with Centers for Disease Control and Prevention (CDC) and other Federal and State guidelines for social distancing, this information is being presented in a virtual format. The KYTC Project Team has prepared an interactive presentation that may be accessed until July 1, 2021. This presentation may be accessed at the following web address:

The project presentation materials will include welcoming comments from the KYTC District 9 Team, project background information, project purpose and need, interactive mapping depicting the preferred alignment and affected properties. In compliance with 23CFR 771.119 Subsection E, the approved Environmental Assessment Report (EA) will also be available for review. A comment form will be provided and anyone reviewing this information is encouraged to complete this form. This comment form may be completed at any time while the public information materials are available for review online. Hard copies of all presentation materials including the EA report will be available for review at the following locations:

Municipal Building
City of Flatwoods
2513 Reed Street
Flatwoods, KY 41139

Flatwoods Public Library
1705 Argillite Road
Flatwoods, KY 41139

Hard copy comment forms and/or written statements will be accepted for a period of 15 days after the online materials have expired. Written statements should be addressed to Darrin Eldridge, P.E., Kentucky Department of Highways, District 9 Office, P.O. Box 347, Flemingsburg, KY 41041, Phone (606) 845-2551, and returned using the postage-paid envelope provided with the comment sheet. If you are unable to access meeting materials via internet or at the locations defined above, you may contact Darrin Eldridge to schedule a separate in-person review by appointment. All comment forms and written statements will become part of the official project record.

Participants may request a Virtual Public Hearing where the same materials will be presented in a live, open format meeting and comments can be made directly to the project team and public attendees. Requests for this hearing may be completed by contacting:

Adam Michels
Environmental Project Manager
Phone (502) 782-5024

In accordance with the “Americans with Disabilities Act,” if you have a disability for which the Transportation Cabinet needs to provide accommodations, or if you require public information meeting materials in a language other than English, please notify us of your requirements by June 25, 2021. This request does not have to be in writing. Please contact Darrin Eldridge, P.E., Phone (606) 845-2551, 822 Elizaville Ave., P.O. Box 347, Flemingsburg KY, 41041.
