The Kentucky Transportation Cabinet (KYTC) will host a public meeting at Elizabethtown Tourism & Convention Bureau to present design alternatives developed to address congestion and safety within the US-62 interstate corridor by improving intersections as well as providing better accommodation for pedestrians.

Stop by the open-house meeting at the Tourism Center any time during 5:00-7:00 PM. No formal presentation will be held, but individuals will have the opportunity to review displays, ask questions, and discuss the project alternatives with KYTC engineers and staff, as well as consultant personnel.

Citizens preferring a virtual setting can view project information and complete a survey by accessing the project website at www.drive62.com. Survey responses will be collected through September 13, 2024. Written comments may also be submitted to Kevin Blain, P.E. by email or mail, at kevin.blain@ky.gov or PO BOX 309, Elizabethtown, KY 42701.

The meeting record will be made available for review and copying through an Open Records Request. All Open Records Requests must be submitted to the KYTC, Office of Legal Services, TCOB, 200 Mero Street, Frankfort, KY 40622.

In accordance with the Americans with Disabilities Act (ADA), if anyone has a disability and requires assistance, please notify Kevin Blain no later than August 5. Please call (270) 766-5066.
