

US 421 Public Meeting

The Kentucky Transportation Cabinet (KYTC) has scheduled a public information meeting to present alternates for spot improvements to improve geometrics along US 421 crossing over Pine Mountain between US 119 and KY 221 in Harlan County to address safety concerns and encompasses milepoint 17.2 to milepoint 23.0. This project is listed in the 2022 Enacted Highway Plan as Item No. 11-80259.

The meeting will be held at the following time and location:

Tuesday March 26th, 2024, 5:00pm – 7:00pm
Harlan County High School
4000 US 119 Baxter KY 40806
Manchester, KY 40962

The purpose of this meeting is to present the alternates for review and to ask for feedback from attendees regarding the projects. KYTC will have representatives available to answer questions concerning the proposed design, right of way acquisition process and project schedule. Comment forms will be provided, and they may be returned before the meeting ends or for a period of two weeks after the meeting. This meeting will be conducted in an open format with no formal presentation, meaning that you may attend at any point during the time indicated above.
