

PUBLIC INFORMATION MEETING

Reconstruction of U.S. 41 Intersection With Watson Lane In Henderson, KY

Item # 02-0383.00

Monday, Sept. 16, 2019

5:00 – 7:00 p.m., CDT

Bend Gate Elementary School

920 Bend Gate Road, Henderson, KY 42420

This proposed project would improve the U.S. 41 intersection with Watson Lane in Henderson. Proposed improvements to safety and traffic flow include widening lanes, as well as addition of curb, gutter, and sidewalks. The Kentucky Transportation Cabinet (KYTC) has a preliminary design for this project.

The KYTC District 2 engineering and design staff is seeking public input to help refine efforts to improve traffic flow efficiency and safety at this busy intersection. Design efforts and environmental studies are expected to be completed later this year to help KYTC engineers, design staff, and consultants define the costs and impacts associated with the proposed project aimed at reducing traffic congestion.

The purpose of this meeting is to get input from the public, to assist in the decision-making and design process. Participants will be able to review displays and information about the project.

Handouts containing information about this project, comment sheets, and displays will be available at the meeting. The meeting will be conducted in an open format with no formal presentation.

Representatives from the KYTC District 2 project design team and consultants assisting with the project will be available to answer questions and accept comments. Both written and oral comments will be accepted during the meeting. Written comments will be accepted, and information made available, up to 15 days after the meeting at the KYTC District 2 Office at 1840 North Main Street in Madisonville, KY 42431.

Written and oral comments from this meeting will become a part of the official record for the project. Once compiled, the meeting record will be made available for review and copying only after an Open Records Request has been received and approved. All Open Records Requests must be submitted to the Office of Legal Services, Transportation Cabinet Office Building, 200 Mero Street, Frankfort, Kentucky 40622.

In accordance with the Americans with Disabilities Act, if you have a disability for which the Transportation Cabinet needs to provide accommodation please notify Pam Broadston by calling (270) 824-7080.
