

# US 31E (BARDSTOWN ROAD) STUDY PUBLIC MEETING

## WHEN

**Tuesday, June 25, 2024**

**5:30pm – 7:30pm**

## WHERE

**Bates Elementary School**

**(Cafeteria) 7601 Bardstown Road, Louisville, KY**

The Kentucky Transportation Cabinet (KYTC) is conducting a planning study (Item No. 80261.00) to determine transportation needs and to consider ways to improve safety, reduce congestion, and improve multi-modal transportation options along US 31E from the Bullitt County Line to KY 1065 (Beulah Church Road / Seatonville Road) including the I-265 (Gene Snyder Freeway) interchange.

The meeting will be an open-house event. Those who are interested may drop in any time to review information, discuss the study with the project team, and provide input before concept development begins.

Additional study information can be found on KYTC District 5's website (see QR code to the right).
