Planning Study Public Meeting

Northwest Louisville Community Connectivity Study

The Kentucky Transportation Cabinet (KYTC) will hold two public meeting sessions on Thursday, July 17, to inform residents and gather input on the Northwest Louisville Community Connectivity Study (Item #5-587). This study has identified potential concepts that will improve connections between Northwest Louisville neighborhoods south of the Riverside Expressway (I-64) and areas adjacent to the Ohio River. The project team would like your input and feedback regarding these concepts.

Join Us! Two public meeting sessions will take place from 12-2 p.m. and from 5-7 p.m., at the Molly Leonard Portland Community Center, 640 N. 27th Street, Louisville, KY 40212. We invite you to drop in at anytime to learn more about the study and concept development, and to share your feedback with the project team.

The Need - The existing highway network (I-64), railroad lines, flood walls, levees, and other infrastructure currently limit direct access to the riverfront. The study has identified possible options to improve multimodal connectivity, safety, and accessibility that will mitigate or minimize the impact of these barriers.

Next Steps - Following the public meetings, the project team will post a survey online to provide an opportunity for additional public input. For more information about this study and its recommendations, please visit: bit.ly/NWLouStudy.

All written comments will become part of the official meeting record. Once compiled, the meeting record and supporting documentation will be available for review and copying only after an open records request has been received and approved. All open records requests must be submitted to the Transportation Cabinet, Office of Legal Services, Transportation Office Building (200 Mero St, Frankfort, KY 40622), or via kytc.openrecords@ky.gov.

In accordance with the Americans with Disabilities Act (ADA), if anyone has a disability and requires accommodations, please notify KYTC no later than Friday, July 11. Please call (502) 764-0481 or mail your request to the KYTC District 5 Office, 8310 Westport Road, Louisville, KY 40242. Additionally, in compliance with Title VI, translation services are offered upon request.
