5:30 – 6:30 p.m., CST

Community Fellowship Baptist Church

90 State Route 408 West, Hickory, KY 42051

The Kentucky Transportation Cabinet (KYTC) is conducting an open house informational meeting for proposed highway safety projects along U.S. 45 at KY 408 in Graves County and U.S. 45 at KY 1288 in McCracken County where reduced conflict intersection improvements are planned.

The proposed safety projects will restrict left turns at each of these locations and direct traffic to a dedicated turn lane with a modified U-turn (R-Cut), which aims to provide safety for all users of these intersections. The purpose of the meeting is to provide information about the projects.

The public meeting will be held on Tuesday, November 12, 2019, at Community Fellowship Baptist Church located at 90 State Route 408 West in Hickory, KY, from 5:30 to 6:30 p.m.

Handouts containing information about this project, comment sheets, and displays will be available at the meeting. A brief presentation will be provided at 5:30 p.m., CST.

Following the presentation, representatives from KYTC and their consultants will be available to answer questions and accept comments. Written comments will be accepted and information made available for review up to 15 days after the meeting at the KYTC District One Office at 5501 KY Dam Rd, Paducah, Ky.

In accordance with the Americans with Disabilities Act, if you have a disability for which the Transportation Cabinet needs to provide accommodation please notify Chris Kuntz at the above address or call (270) 898-2431.
