

## The Kentucky Transportation Cabinet Needs Your Input

### *New I-71 Interchange (MP 20.6) at LaGrange Parkway*

#### Public Information Meeting

Wednesday, March 27, 2019, 5:00 – 7:00 p.m.

John W. Black Community Center

1551 N. Highway 393, LaGrange KY 40031

*An open house meeting format will be used. Stop by anytime between 5:00 p.m. and 7:00 p.m.*

*The proposed project would construct a new I-71 interchange in Oldham County, between KY 393 (MP 18.5) and KY 53 (MP 21.8) to relieve congestion in LaGrange. The existing interchanges, especially KY 53, are congested during peak commuter periods, experiencing ramp back-ups and high crash rates.*

*Preliminary design efforts and environmental studies are underway, to be completed during Summer 2019. These will help KYTC define the costs and impacts associated with the proposed interchange to support the decision-making process.*

*The purpose of this meeting is to get input from the public on the proposed interchange to assist in this decision-making process. Handouts containing information about this project, comment sheets and displays will be available at the meeting. Representatives from the KY Transportation Cabinet and their consultants will be available to answer questions. Written and oral comments will be accepted during the meeting. Written comments will be accepted, and information made available, up to 15 days after the meeting at the District Five Office address listed below.*

*Written and oral comments from this meeting will become a part of the official record for the project. Once compiled, the meeting record will be made available for review and copying only after an Open Records Request has been received and approved. All Open Records Requests must be submitted to the Office of Legal Services, Transportation Cabinet Office Building, 200 Mero Street, Frankfort, Kentucky 40622.*
