

REVISION LOG FOR ALL ROADWAY, TRAFFIC, AND BRIDGE DRAWINGS [EXPLANATION OF SEPIAS, ERRATAS, AND DEVELOPMENTAL DRAWINGS TO KYTC'S STANDARD DRAWINGS]

Name	Description	Sepia*, Errata**, Developmental*** (S, E, or D)	REPLACING (IF APPLICABLE)	Date of Released Revision	Revision Number	Remarks
<i>COATINGS, LINING, AND PAVINGS FOR NON-STRUCTURAL PLATE PIPE: SEPIA 021</i>						
Sepia 021	Coatings, Lining, and Pavings for Non-Structural Plate Pipe	Sepia	-	3/27/2025	1	Updated the two tables for the Culvert Pipe and Storm Sewer & Entrance Pipe.
<i>STEEL THRIE BEAM BULLNOSE TERMINAL: SEPIA PACKET 095</i>						
Sepia 095	Sheet 003: Bullnose Terminal Installation Layout	Errata	-	3/3/2025	1	Corrected (X,Y) coordinates within the asymmetrical Bullnose chart [center of post rather than back of post]. Eliminated the bend from posts 12B to 13B.
Sepia 095	All sheets (1 through 10) within packet	Errata	-	3/3/2025	Not Applicable	Updated the Title Block and Border to each individual sheet.
<i>CONCRETE BARRIER WALLS: SEPIA PACKET 042</i>						
Sepia 042	All sheets (1 through 14) within packet	Errata	-	2/28/2025	Not Applicable	Updated the Title Block and Border to each individual sheet.
Sepia 042	SHEET 006 AND 007	Sepia	-	4/2/2025	2	Updated the 56" Tall Wall to have a key-in constructibility option.
<i>GUARDRAIL AND BRIDGE END DRAINAGE FOR TWIN STRUCTURES</i>						
S-RBB-002	Guardrail and Bridge End Drainage For Twin Structures	Sepia	RBB-002	2/28/2025	Not Applicable	Added the Steel Thrie Beam Bullnose Terminal detail into the drawing, rather than the obsolete TYPE 9.

*A SEPIA is an update to a CURRENTLY released standard drawing or sepia, which has had a major content change.

**An ERRATA is an update to a CURRENTLY released standard drawing or sepia, which has had a minor content change.

***A DEVELOPMENTAL drawing is a BRAND NEW drawing.
