

Converting Access Files

Whether your client has TBC or a Trimble Connected Community Account they can go to the public tools to make this conversion.

https://www.myconnectedsite.com/site/surveyadministration/PublicSurveyTools/

In order to get to this free tool you need to use Mozilla Firefox browser, for some reason Google Chrome and Internet Explorer will not work.

Copy and paste the above link into Mozilla Firefox

You will need to Activate Silverlight by tapping on the icon.
