Measure Codes

- **Measure Codes:**
 - Increase data collection efficiency
 - String codes
 - Template collection

Measure Codes

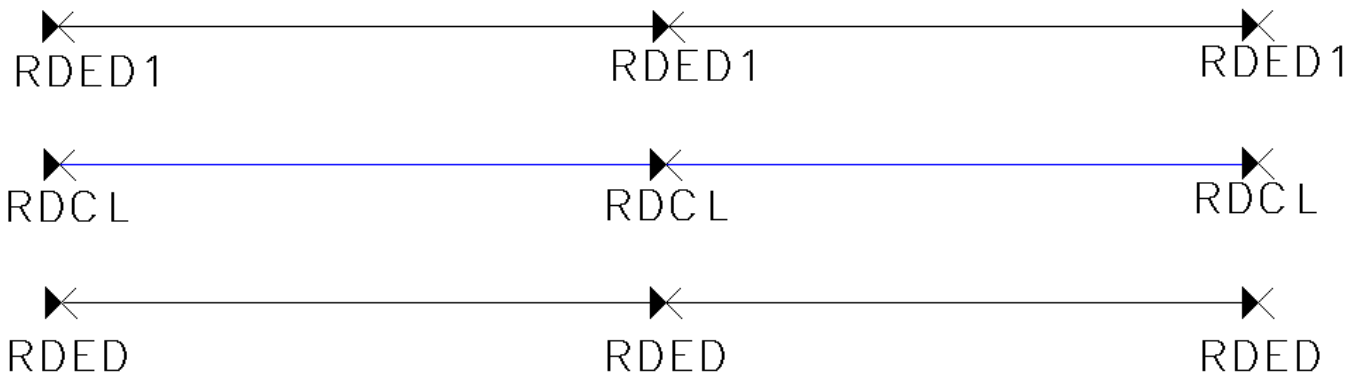

- Increase data collection efficiency
 - Quickly measure and apply feature code in one step

Measure Codes

■ String Codes

- Measure codes has '+' and '-' softkeys that enable you to apply a suffix to the code on the button.
- You can configure the suffix to 1, 01, 001, or 0001.

Measure Codes

- String Codes
