

Drive Clean Louisville Team

Torend L. Collins
Environmental Coordinator
Louisville Metro Air Pollution Control District
August 21, 2019

Drive Clean Louisville

- Cross-functional team planning for and exploring opportunities related to electric vehicles and clean fuel transportation in Louisville Metro
- Team develops projects for:
 - Grant funding
 - Policy development
 - Strategies to increase cleaner alternatives to traditional fossil fuels

Team Members

OFFICE OF
ADVANCED PLANNING
AND SUSTAINABILITY

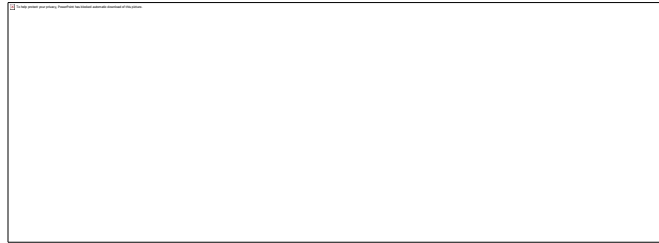

A Division of Develop Louisville

Louisville Metro Government (LMG) Fleet

- Total vehicles in LMG Fleet = approximately 2,500
- Currently...
 - 2 CNG garbage trucks
 - 3 BEV/PHEV
 - 40 Hybrid Vehicles
 - 15 Propane Zero Turn Mowers
- Future...
 - Adding approximately 6 additional Propane Zero Turn Mowers
 - Add 10 (possibly) PHEVs

Partnerships

Highlights

- 2017 Electric Vehicle Survey
 - Surveyed more than 400 Louisville Metro residents about their thoughts on EVs and EV adoption
- Electrify America
 - Submitted a narrative supporting DC Fast Charging and public outreach in Louisville Metro
- Drive Electric Week
 - APCD *Leading the Charge* 2019 Sponsor
- Healthy House Level II Charger
 - APCD Board funded

Next Steps

- Continue outreach and education efforts
 - Work with EVOolve KY, KCFC, Metro peers and others
- Support efforts to increase charging infrastructure
 - Policy development
 - Grant funding
- Green Fleet Challenge
 - Increase the number of AFVs in LMG fleet; challenge community fleets to match

Thank You!
