**Kentucky Transportation Cabinet Announces Adopt-a-Highway Art Contest for  
2022**

*Deadline for students to submit artwork is Oct. 28*

**FRANKFORT, Ky. (Sept. 21, 2022)** – The Kentucky Transportation Cabinet (KYTC) announces that entries are being accepted for the 2022 edition of its popular Adopt-a-Highway art contest for Kentucky school students. The theme is Adopt-a-Highway: Keep Kentucky Clean and Green.

“Trash-free roadsides not only maintain our scenic landscapes, but they also help prevent roadway hazards and environmental impacts,” said Gov. Andy Beshear. “The poster contest is a great way to encourage young Kentuckians to take pride in our state while encouraging everyone to do their part to keep Kentucky beautiful.”

“The art contest is a time-honored way to show the creativity and skills of our youth while driving a serious message we can all get behind: Keep Kentucky Clean and Green,” KYTC Secretary Jim Gray said.

Entries must be postmarked no later than Oct. 28, 2022. Students enrolled in Kentucky public, private or home schools may enter. The entry form, evaluation criteria and other information for students, parents and teachers are available on the [program website](#).

The contest is divided into four age groups: 5-8, 9-11, 12-14 and 15-18. Winners of each age division earn a \$100 gift card while second- and third-place finishers receive a \$50 gift card. Additionally, first-through third-place winners in all age groups will have their artwork featured on social media and prints will be displayed in the Transportation Cabinet’s Conference Center in Frankfort.

KYTC has held the contest for over 20 years to increase environmental awareness among children, educate the public about the harmful effects of litter and encourage behaviors that promote a clean environment. Last year, nearly 300 students from across the commonwealth submitted artwork.
