**Hopkinsville Driver Licensing Regional Office Operations Have Resumed at
Permanent Location Following Storm Damage Repairs**

Licensing services offered by appointment or to walk-in customers

FRANKFORT, Ky. (Sept. 6, 2024) – The Hopkinsville Driver Licensing Regional Office at 901A South Main Street has reopened to Kentuckians following extensive storm damage repairs from an early June severe weather event. Services were offered at a temporary alternate location while repairs were underway.

The office is open Monday through Friday, 8 a.m.-4 p.m. CT. The office will be open Saturday, Sept. 7, 8-11:30 a.m., for walk-in customers only as part of a monthly service offered at all regional offices to better serve Kentuckians. Customers are encouraged to park in the lot at the corner of Ninth Street and Main Street.

On June 3, 2024, a severe thunderstorm passed through Western Kentucky, dropping approximately 11 inches of rain at the Main Street location, causing considerable damage. The temporary closing was necessary for cleaning and rebuilding and the office reopened, as planned, in September.

Kentuckians may visit any Driver Licensing Regional Office and are encouraged to make appointments online at <https://bit.ly/KYTCTRegionalOffices>. Walk-in customers will be served on a first come, first served basis.
