The Organizational Management Branch of the Office of Human Resource Management produces the Kentucky Transportation Cabinet (KYTC) Information Guide in an effort to deliver the best possible service to Cabinet customers. The guide includes a Key Words Index, which helps users quickly locate topics of interest. In addition, the guide contains contact information and details about the Cabinet’s organizational structure and operations, thereby enabling customers, as well as employees communicating with customers, to more readily discover whom to contact for assistance.

An online version, which includes links to the websites and charts of the Cabinet’s organizational units, may be accessed from the Cabinet’s Internet home page, under “About Us”: http://transportation.ky.gov/Pages/default.aspx

NOTE: All listings in this guide refer to locations in Frankfort, Kentucky, unless noted otherwise.

The Cabinet is responsible for maintaining and improving transportation infrastructure of the Commonwealth—including more than 27,000 miles of roadways, 160 licensed airports, and 23 public transportation systems—and for registering approximately 2.7 million licensed drivers and 3.4 million vehicles annually. Moreover, the Cabinet exercises its jurisdiction in the areas of highway safety, public transportation, waterways, railways, aviation, bikeways, and motor vehicle regulation.

MISSION STATEMENT

To provide a safe, efficient, and environmentally sound and fiscally responsible transportation system that delivers economic opportunity and enhances the quality of life in Kentucky.
