

FARM-RELATED SERVICES/RESTRICTED CDL APPLICATION

INSTRUCTIONS

This restriction applies to farm retail outlets, farm retail suppliers, agri-chemical businesses, custom harvesters, and livestock feeders. The restricted CDL is valid for 60, 120, or 180 days in any 12-month period from license issuance. It is only valid within 150 miles of the farm being serviced.

This restricted CDL does not apply to **any** Class A vehicle or a vehicle transporting any placarded quantity of hazardous materials except as noted below. Drivers transporting all placarded hazardous materials other than diesel fuel and fertilizers will be required to pass the knowledge and skills test prior to receiving a CDL.

NOTE: A farmer, farmer's employee, or family member is not required to have a CDL, or restricted CDL, if the motor vehicle is controlled and operated by the farmer, used within 150 miles of the farm, used exclusively for agricultural purposes, and not used in the operation of a common carrier in commerce.
