

ORGANIZATION APPLICATION FOR SPECIAL LICENSE PLATE

INSTRUCTIONS:

Pursuant to KRS 186.164 and 601 KAR 9:130, organizations must be non-profit and must develop the plate design per Transportation Cabinet (Cabinet) specifications. Application submissions must be made ten (10) business days prior to quarterly meetings. Organizations are required to remit programming and production costs to the Division of Motor Vehicle Licensing prior to the beginning of production and within two (2) consecutive calendar years from the original date of application. Failure to comply will require the organization to restart the application process.
