Other information relative to permit or as required by the Chief District Engineer:

SECTION 2: PERMITTEE AGREEMENT

THE PERMITTEE AGREES TO THE FOLLOWING:

- The service shall be absolutely free and shall be limited to the time period approved on this permit.
- No donations shall be solicited.
- No sign or other means of notification shall be placed by the permittee on the main traveled way or on the ramps leading to rest area.
- The permittee shall be allowed to place one sign not to exceed 2' x 3' in the area of service. The message and location of the sign will be designated and approved by the Chief District Engineer. Identifying badges or emblems may be worn by the servicing attendants.
- The service shall be provided outside the restroom building and shall not interfere with normal flow of pedestrian or vehicular traffic in the rest area.
- Use of a portable or mobile facility may be authorized. These facilities shall be parked only in the area approved and designated on this permit.
- The designated service area shall be policed by the permittee for litter and other articles by the permittee.
- Adult supervision shall be provided throughout the permit period.
- The permittee shall be liable for all damages resulting from activities of the organization or its representative, including bodily injury, death, or property damage.
- A copy of the permit shall be available at the service area.
- Issuance of the permit conveys the right to use electricity, water, or other available utilities, at no charge, subject to such quality and location limitations as may be prescribed by the Chief District Engineer to protect the basic rest area usage requirements.
