Mr. Jim Gray
Secretary
Kentucky Transportation Cabinet
200 Mero Street, Room 613
Frankfort, Kentucky 40622

Dear Secretary Gray:

FHWA has reviewed the Kentucky Transportation Cabinet's (KYTC) proposed adjusted urban boundaries based on the 2020 Decennial Census results. FHWA previously approved adjusted urban boundary submittals on March 27 and July 18, 2024; however, an additional change to the boundaries was necessary. The most recently revised files were submitted by KYTC on August 2, 2024.

Based on the FHWA Office of Planning's review, the proposed changes to the Kentucky urban boundaries are consistent with the requirements of the decennial census as described in 13 U.S.C 141 and the transportation planning processes as outlined in 23 U.S.C. 134 and 135, 49 U.S.C. 5303 and 5304, and 23 CFR 450. Therefore, the request for approval of the Kentucky adjusted urban boundaries is hereby granted.

If you have any questions or need additional information, please contact Nick Vail, Community Planner, at (502) 223-6727.

Sincerely,

Shundreka R. Givan, AICP
Division Administrator
