

Kentucky Public Airports

National Plan of Integrated Airport Systems (NPIAS)

-  5 Primary NPIAS
-  50 General Aviation or Reliever NPIAS
-  4 Non NPIAS

The National Plan of Integrated Airport Systems (NPIAS) is an inventory of U.S. aviation infrastructure assets developed and maintained by the Federal Aviation Administration (FAA). Designated airports are significant to national air transportation and thus eligible to receive Federal grants under the Airport Improvement Program.
