

**Terminology Key**  
NR: Building or district which is either listed on the National Register or previously determined eligible.  
NRP: Building or district when compared to others on the National Register appear to meet criteria A, B or C.  
Survey: Buildings which would be documented in a baseline study, but, on the surface, appear to have no National Register potential.

**Note:**  
Archaeology sites not shown due to the sensitive nature of the data.
