

Table of Contents

Executive Summary.....	ES-1
1. Study Overview	1
A. Study Purpose.....	1
B. Study Setting	1
C. Background.....	3
D. Methodology	4
E. Review and Summarization of Previous Corridor Documentation	5
F. KY 151 in the 2016 Enacted Highway Plan	6
G. Removing KY 151 from the National Truck Network	6
2. KY 151 Roadway Characteristics.....	7
A. Functional Classification	7
B. Traffic Volumes.....	7
C. Effect of the STAA Vehicle Ban.....	8
D. Capacity Analysis	8
E. Roadway Geometric Analysis	9
F. Ball-Bank Indicator Analysis of Curves and Curve Warning Signs	13
G. Speed Analysis	14
H. Crash Analysis.....	16
I. Pavement Condition Evaluation	29
J. Road Safety Audit	30
3. Conclusions.....	31
List of Tables	
Table 1 – Summary of Previous Corridor Documentation	5
Table 2 – KY 151 in the 2016 Enacted Highway Plan	6
Table 3 – Traffic Volumes.....	7
Table 4 – Summary of Horizontal Curves.....	9
Table 5 – Summary of Curve Widening Analysis.....	10
Table 6 – Summary of Substandard Vertical Curves.....	12
Table 7 – Summary of Ball-Bank Indicator Advisory Speeds	13
Table 8 – Summary of Speed Data	14
Table 9 – Section Descriptions	16
Table 10 – Summary of Crashes by Section	18
Table 11a –Section 1 Predominant Crash Types.....	20
Table 11b –Section 1 Crash Contributing Factors	20
Table 12a –Section 2 Predominant Crash Types.....	20
Table 12b –Section 2 Crash Contributing Factors	21
Table 13a –Section 3 Predominant Crash Types.....	21
Table 13b –Section 3 Crash Contributing Factors	21

KY 151 Safety Study

Table 14a –Section 4 Predominant Crash Types.....	22
Table 14b –Section 4 Crash Contributing Factors.....	22
Table 15a –Section 5 Predominant Crash Types.....	23
Table 15b –Section 5 Crash Contributing Factors.....	23
Table 16 –Comparison of CMV Crashes to the Total Number of Crashes by Section	24
Table 17 –Summary of CMV Crashes	25
Table 18 –Comparison of Crash Rates: KY 151 vs Statewide	28
Table 19 –Summary of Pavement Conditions Evaluation (2014)	29

List of Figures

Figure ES-1 – KY 151 Safety Study Corridor	ES-5
Figure 1 – KY 151 Safety Study Corridor	2
Figure 2 - Map of KY 151 Functional Classification and Traffic Counts	7
Figure 3 – Scrub marks at MP 2.6, Anderson County	11
Figure 4 – Curve at MP 3.0, Anderson County.....	11
Figure 5 – Speed Studies on KY 151	15
Figure 6 – Map of 2010 to 2015 Crashes	17
Figure 7 – CMV Crash Clusters	24

List of Appendices

Appendix A –	Kentucky Designated National Truck Network map Project Identification Form (PIF) Federal Register notice by FHWA, dated June 15, 2016 Official Order 110134, dated April 29, 2016
Appendix B –	Traffic Volumes Capacity Analysis Details
Appendix C -	Roadway Geometry Analysis Details Horizontal Curves from US 127 to I-64 Offtracking Analysis Calculation Sheets Offtracking Analysis Summary Vertical Curves from US 127 to I-64 Ball-Bank Indicator Analysis Curve Warning Sign Inventory and Rumble Strip Inventory
Appendix D –	Crash Records 0.1 Mile Spot Crash Analysis 0.3 Mile Spot Crash Analysis Section/Segment Crash Analysis
Appendix E –	Pavement Condition Evaluation Reports Explanation of Pavement Surface Conditions Pavement Management in Kentucky, An Overview in Year 2014, KYTC Div. of Maintenance
Appendix F –	Road Safety Audit
