- █ A
- █ B
- █ C

- State Road
- Local Road
- County Boundary
- 1740 Average Daily Traffic (ADT)

Level of Service (LOS) is a measure of operating conditions in terms of speed and travel time, freedom to maneuver, traffic interruptions, and comfort and convenience. Letters designate each of the six LOS levels, from A to F, with LOS A representing the best conditions and LOS F representing the worst conditions.
