If you have concerns or comments regarding any of the refined alternatives that were not addressed by the fold-out comment form, please write them here next to that alternative so they can be given full consideration in the decision-making process.

Alternative 1 – No Build:

Alternative 2A – Improve US 51 / US 62 intersection for turning trucks and install new traffic signal:

Alternative 2B – Remove traffic signal at the intersection of US 51 and Jennings Street:

(Please Continue on Back)

Alternative 2C – Improve US 51 / KY 123 intersection to better accommodate turning truck movements:

Alternative 2D Curve – Realign curve by Methodist Church on US 51:

Alternative 2D Hill – Reduce grade (steepness) on hill south of town by the Bardwell Civic Center (Lions Club Building):

Alternative 3 – Reconstruct US 51 as a two-lane highway from north of town to the vicinity of KY 1377, with access control in town:

Alternative 4B – Realign US 51 between the Methodist Church and the vicinity of KY 1181 and KY 1377:

THANK YOU FOR YOUR FEEDBACK!
