

Welcome to the KY 715 Public Meeting!

A brief presentation will begin shortly after 5 p.m.

Please help yourself to refreshments.

It is important for you to know that:

- This is a planning study only.
- No additional funds are currently available for design or construction.
- The do-nothing option is still possible.
- No decisions have been made.
- We need your input to help us decide what to do.

After the presentation, please:

- Visit the exhibits to see possible roadway improvement alternatives for KY 715.
- Ask questions and provide input one-on-one.
- Complete your survey form.

Please return your survey form tonight (or take a postage paid envelope and send it within 2 weeks).

Thank you for attending the meeting!
Your participation is important!
