Branch**

For Official Use Only:

Date Received: _____

Application No: _____

Date Verified: _____

Application for Kentucky National Truck Network Route Modifications

This application is used to request modifications to the Kentucky National Truck Network. If approved, the route is added to or removed from the Kentucky National Truck Network, where STAA-dimensioned vehicles legally operate without special access permission. One application is required for each route being requested.

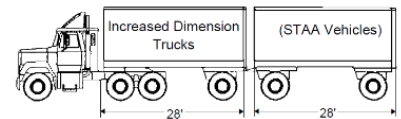

See 603 Kentucky Administrative Regulation (KAR) 5:250 at <http://legislature.ky.gov> for additional information.
Please contact _____ at (502) 564-7183 if you have any questions.

Route Information

County (list all): _____ Route: _____

From (Begin intersection or milepoint): _____

Signature: _____ Date: _____

Map and Supporting Documentation

All applications must be complete and include map(s) indicating the beginning of the route, the end of the route, and all turns to be made along the route. All maps must be submitted on letter size (8.5" x 11") paper, must be of a scale sufficient to indicate roads, streets, and turns, must be legible, and must clearly highlight the proposed route. Other supporting documentation may be included for consideration by the KYTC.

Submit Application To:
