

**The Kentucky Transportation Cabinet
Needs Your Input!**

Concerning the Study of US 25
between Dry Ridge and Crittenden in Grant County

Public Information Meeting

Tuesday, October 2, 2007, 4:00-7:00 p.m.
Sherman Baptist Church Meeting Facility
3525 Dixie Highway, Dry Ridge, KY
Open Format (stop by anytime between 4 and 7 p.m.)

The Kentucky Transportation Cabinet is undertaking a planning study to develop and evaluate alternatives for the improvement of US 25 between Dry Ridge and Crittenden in Grant County.

The purpose of the public meeting is to present preliminary findings and gather input on potential issues, concerns, alternatives, and impacts for the proposed improvement project.

Following the meeting, improvement alternatives will be developed by the project team using the preliminary traffic, geometric, environmental, and geotechnical data gathered to-date as well as the input received from the local officials, local stakeholders, and the public. These preliminary improvement alternatives will be carried forward for more detailed analysis (including consideration of traffic, environmental, geotechnical, socioeconomic, cost, and constructability) and further local official, local stakeholder, and public input. The result of this planning study will be a recommendation for the improvement of US 25. The no-build option will be given equal consideration.

Handouts containing information about the project, comment sheets and displays will be available at the meeting. Representatives from the KY Transportation Cabinet and their consultants will be available to answer questions. Written comments will be accepted during the meeting and until October 19, 2007 at the District Six Office address listed below.

Comments from this meeting will become a part of the official record for the project. Once compiled, the meeting record will be made available for review and copying only after an Open Records Request has been received and approved. All Open Records Requests must be submitted to the Office of Legal Services, Kentucky Transportation Cabinet, 200 Mero Street Frankfort, Kentucky 40622.

In accordance with the Americans with Disabilities Act (ADA), if anyone has a disability and requires assistance, please notify Nancy Wood no later than September 28, 2007. Please call 859-341-2700 or mail your request to the address listed below.

Please address any questions regarding this project to:
