The Kentucky Transportation Cabinet does not warrant the information contained on this map is accurate or complete. The Kentucky Transportation Cabinet states that all alterations are made to insure the correctness of data network and that it is based on the best available information at a given time but does not represent any representation or warranty made with respect to this map by any contributing source as to its content, whether expressed, implied or statutory, including but not limited to, warranties of title, merchantability, and fitness for a particular purpose. Incorporated area boundaries are based on KRS 19A.470 which is recorded in the Kentucky Secretary of State's Office.

Division of Planning

Traffic Station Counts

LEBANON, MARION COUNTY

0 465 970 1,940 2,910 3,880 Feet

Last map revision: MARCH 2015

Latest traffic count date for each station is indicated on the map in parentheses after the actual traffic count. For the most current traffic count information, please refer to the Counts Database Program (CTS) found on the Division of Planning website.

www.planning.kytc.ky.gov

Station locations are plotted at segment midpoints where actual milepoints have not been verified in the field.
