26% - 74% of work accomplished in Kentucky offices - 1 point.

0% - 25% of work accomplished in Kentucky offices - 0 points.

SELECTION COMMITTEE MEMBERS

1. Darrell Dudgeon, P. E., User Division
2. John Hepner, User Division
3. TBA, P.E., Secretary's Pool
4. TBA, P.E., Secretary's Pool
5. TBA, P.E., Governor's Pool

DBE REQUIREMENT None

SPECIAL INSTRUCTIONS

The Department reserves the option to modify the selected consultant's agreement to include any necessary engineering and/or related services for this project. The firm(s) will at that time be prequalified by the Department in the required area(s).

SCOPE

The selected consultant will be required to perform underwater inspections of the bridges specified by the Division of Operations. The inspection reports shall be in digital format consistent with recent reports and compatible with the Division of Operation's existing software and documenting procedures. In addition to the TC 71-118 form, documentation will include chart-recorded cross sections and digital photographs. The district and central offices must be notified before each group of scheduled dives. Divers must be equipped to meet or exceed all KYTC, State and Federal diver safety requirements.

AVAILABLE KTC STUDIES

None

PROJECT FUNDING

State Funds
