QUESTION: Regarding Procurement Bulletins that come out while our prequalifications are not current; Are we still permitted to be on a team of a firm that has the appropriate prequalifications?

ANSWER: Yes, your firm may respond as a sub-consultant, not a prime, on a team that meets all of the prequalification requirement. If selected, the contract would not be executed until all sub-consultants obtain the necessary prequalifications.

QUESTION: Could either of you provide me with an electronic copy of the previous Capital City Airport Master Plan?

ANSWER: A pdf copy of the Capital City Airport Layout Plan from February 2000 is available. [<Click here>](#)
