2019-08

2/14/19

[2019-08 - Jefferson | 5-557 | I-71](#)

**QUESTION:** Under the Environmental Aquatic and Terrestrial Ecosystems Prequalification List of the XVI. Prequalification Requirements section, Botany and Zoology are the only two categories listed. Are all the categories needed for this project?

**ANSWER:** The XVI. Prequalification Requirements section has been revised to add Fisheries, Macroinvertebrates, Water Quality and Wetlands to the Environmental Aquatic and Terrestrial Ecosystems Prequalification List. Please see the XVI. Prequalification Requirements section of the revised RFP for more details.

2/28/19

[2019-08 – Statewide Roadway Design](#)

**QUESTION:** Typically the Kentucky Transportation Cabinet allows an additional page for the DBE Participation Plan. Please advise if this is permitted for this response.

**ANSWER:** The IV. DBE Participation Plan section has been revised to allow an additional page in the Project Approach (Page 7) to demonstrate the DBE Participation Plan. Please see the IV. DBE Participation Plan section of the revised RFP for more details.

3/1/19

[2019-08 – Statewide NBIS Safety Inspections](#)

**CLARIFICATION:** The Kentucky Transportation Cabinet has increased the Letter Agreement upset limit from \$75,000 to \$100,000 per project. Please see the II. Project Information and V. Special Instructions sections of the revised RFP for more details.
