[2025-03 - Statewide Aviation System Plan Services](#)

QUESTION: Does the Kentucky Statewide Aviation System Plan Services fall under the definition of a statewide service advertisement, meaning there is no PMBCX requirement for the project manager?

ANSWER: Yes, this is a statewide advertisement and therefore no Bootcamp training is required.

QUESTION: The RFP states that no extra points will be given for DBE participation, but the instructions state additional points will be considered for a DBE participation plan. Which is correct?

ANSWER: This advertisement does not require DBE participation, as stated in [Section IV. DBE Goals](#).

QUESTION: Is the selected consultant expected to attend the pre-design conference scheduled for October 30th?

ANSWER: Yes, the selected consultant will be required to attend the Pre-Design conference. The Pre-Design conference date listed on the RFP is a target date. The official pre-design conference will be determined by the KYTC Project team and the consultant after selection.

QUESTION: Does inclusion of a DBE plan mean that the Project Approach section can be up to 4 pages (inclusive of the DBE plan), or is it still limited to 3 pages and the DBE plan can be up to 1 page in length?

ANSWER: Inclusion of a DBE plan would allow a fourth page, whereas a response without a DBE would be limited to three pages.
