4/17/2026

[2026-10 - Jefferson | 5-80352 | KY-1865](#)

**QUESTION:** Please confirm that the prequalification service for *Hazmat Corrective Action* is necessary since this is typically not required in preliminary design.

**ANSWER:** Upon further review with subject matter experts, the Cabinet has decided to modify the *Hazmat Corrective Action* prequalification services. They will no longer be required within the initial response and now may be added by contract modification at later date. Please see [Section VIII. Environmental Services](#) and [Section XIV. Prequalification Requirements](#) of the RFP for more information.

[2026-10 - Statewide | 99-292 | Daniel Boone Forest](#)

**QUESTION:** Can you provide some clarity on if "Errata" is a typo in the "Task 8 - Deliverables" section for 99-292?

**ANSWER:** "Errata" is not a typo. It refers to a list of errors in DBNF data identified during the course of the study. Please see [Section IV. Scope of Work](#) of the RFP for more information.

[2026-10 - Statewide | 99-292 | Daniel Boone Forest](#)

**CLARIFICATION:** Adam Ulrich has stepped down from serving as the Secretary Pool Selection Member, as he will be on leave during that time. Please see [Section XIII. Selection Committee Members](#) of the RFP for more information.
