

A REQUEST FOR PROPOSAL FOR PROFESSIONAL SERVICES CONTRACT

Department of Highways Professional Services Procurement Bulletin 2022-07 Statewide Aerial and Photogrammetric Services

This document constitutes a Request for Proposals for a Professional Service Contract from qualified individuals and organizations to furnish those services as described herein for the Commonwealth of Kentucky, Department of Highways.

I. PROJECT DESCRIPTION

This statewide contract is to provide necessary Statewide Aerial and Photogrammetric Services. Three (3) consultants will be selected to provide these services on an as-needed basis for two years.

II. PROJECT INFORMATION

Project Manager - Perry Semones, P.E.
User Division - Highway Design
Approximate Fee - \$1,000,000 per contract (Upset Limit)
Work will be assigned via Letter Agreement, not to exceed \$200,000
Project Funding - State and Federal Funds
Contract Term - Two Years

III. PURPOSE AND NEED

To provide Statewide Aerial and Photogrammetric Services.

IV. DBE REQUIREMENT

None

V. METHOD OF SURVEY

Consultant will be directed to use appropriate survey methods that conform to the required standards on a project-by-project basis.

VI. SCOPE OF WORK

Statewide contracts will be negotiated to perform aerial and photogrammetric services for projects on state and federally funded Cabinet Highway projects as well as full flight coverage for specified counties on an as needed basis. Mapping data will be required in digital format, with ASCII Files containing digitized breaklines and random point data to be used for digital terrain modeling.

Survey reports shall be submitted in digital format and shall be in PDF Format. One (1) copy of all files and data shall be submitted to KYTC Central Office and two (2) copies of all files and data shall be sent to the appropriate District Office.

Projects will be assigned by Letter Agreement not to exceed \$200,000 per Letter Agreement. Photographs supplied by the consultant should be in digital orthorectified format. All CADD files shall be submitted in Bentley ORD MicroStation format (or current version as recognized by KYTC) using the most current version of the KYTC CADD Standards. All DGN files shall be submitted in US Survey Feet format and utilizing the Kentucky Single Zone State Plane Coordinate System. All terrain models shall be in Bentley ORD format and all survey data shall be submitted in Bentley ORD (FWD) format or in a specific ASCII format containing Point # N, E, Z, CODE. All survey data shall be required to utilize the KYTC feature table codes. Any data not conforming to these instructions will be rejected. Do not respond to this RFP if you are not setup to produce these deliverables solely in the formats listed above. This includes files being produced in another Software format and then converted to achieve the accepted format. These types of files will be rejected.

VII. SPECIAL INSTRUCTIONS

The Department may retain any of the advertised services to be performed by in-house state forces.

Three (3) consultants will be selected to provide these services for a period of two (2) years with no new work assigned after two years from the Notice to Proceed, although the contract may be extended for time to complete work already assigned. Contracts will have an upset limit of \$1,000,000. Once the upset limit is reached or the two year term has expired, services may be re-advertised and no additional Letter Agreements will be executed under the contract. Contracts will not be modified to increase the upset limit or extended for time to assign new work. No Letter Agreement shall exceed \$200,000 without written approval from the State Highway Engineer.

The Selection Committee will rank the selected Consultants and list in consecutive order to determine the initial order for which projects will be assigned. Projects will generally be assigned on a rotational basis. The Department reserves the right to select one of the firms outside of the assignment order for a particular project if it is to the benefit of the Department. That firm, if selected out of order, will be skipped in the rotation when their turn comes and the regular order will be followed thereafter. The Division of Highway Design reserves the right to group multiple projects together as one offering if it is advantageous to the Department. The Department may also add additional work to an existing Letter Agreement, if needed. A firm will not be offered an additional project until the remaining firms on the list have been offered a project. If a firm declines to accept a project, that firm will not be eligible to accept another project until the remaining firms on the list have been offered a project. If a firm declines a project or does not respond to an invitation to perform services for a project within five (5) business days, documentation shall be provided in the project files and the next firm on the rotating list shall be offered the project.
