[2026-07 - Statewide Highway and Bridge Construction Inspection Services](#)

CLARIFICATION: The Special Bridge Inspector has been added to the Regional Rankings & Hourly Loaded Wage Rates form. The RFP states a specialized bridge inspector classification may be needed but the classification was omitted from the rate sheet. Please see the [Regional Rankings & Hourly Loaded Wage Rates](#) form, pages 7-8 of the RFP for more information.

[2026-07 - Statewide Highway and Bridge Construction Inspection Services](#)

QUESTION: Under the Specialized Bridge Inspection Classification, may a firm list personnel in their company if they meet all of the criteria listed except the KY PE license requirement and they would be in the process of gaining their KY PE license at the time of response?

ANSWER: Firms may list qualifying personnel with an asterisk or another note for specific individuals who are in the process of obtaining Kentucky PE licensure, will soon receive their certification, will soon obtain the minimum required experience, or have other limiting factors.
