

# **A REQUEST FOR PROPOSAL FOR PROFESSIONAL SERVICES CONTRACT**

## **Department of Highways Professional Services Procurement Bulletin 2026-08 Statewide Underground Storage Tanks & Hazardous Materials Services**

This document constitutes a Request for Proposals for a Professional Service Contract from qualified individuals and organizations to furnish those services as described herein for the Commonwealth of Kentucky, Department of Highways.

### **I. PROJECT DESCRIPTION**

This statewide contract is to provide necessary Underground Storage Tanks and Hazardous Materials Services. Two (2) consultants will be selected to provide these services on an as-needed basis for two years.

### **II. PROJECT INFORMATION**

Project Manager -	Brittany Lowry
User Division -	Environmental Analysis
Approximate Fee -	\$800,000 per contract (Upset Limit)
	Work will be assigned via Letter Agreement, not to exceed \$200,000
Project Funding -	State and Federal Funds
Contract Term -	Two Years

### **III. PURPOSE AND NEED**

As part of our mission, the Division of Environmental Analysis has a responsibility to complete UST/HAZMAT Site Assessment Studies and prepare and implement corrective action/remediation measures for the development of Highway projects on a statewide basis. Additional staff and regulatory knowledge is needed periodically to accomplish these objectives to keep projects on time and within budget. The Consultant(s) will be asked to perform such studies and develop and implement the above-mentioned corrective action/remediation measures on an as-needed basis.

### **IV. SCOPE OF WORK**

#### **ENVIRONMENTAL STUDIES**

Environmental Studies required for investigating and remediating Underground Storage Tank and Hazardous Material sites on highway right-of-way prior to highway construction.

#### **DOCUMENT PREPARATION**

Technical reports necessary to adequately address specific areas of impact in each of the aforementioned areas.

### LABORATORY SERVICES

All laboratory analysis must be performed by a laboratory holding the National Environmental Laboratory Accreditation Program (NELAP) certification for analyses as maybe required by RCRA or CERCLA, and must comply with SW-846 sampling guidelines. All services should be performed in accordance with the KYTC/DEA Environmental Procedures Manual and ASTM Standards. Interested Consultants will not be required to utilize a laboratory prequalified with the KYTC for UST/HAZMAT Services. Criteria for identification of acceptable testing facilities will be discussed with the Selected Consultant(s), who will provide KYTC with a proposed list of laboratories for approval.

## **V. SPECIAL INSTRUCTIONS**

Two (2) consultants will be selected to provide these services for a period of two (2) years with no new work assigned after two years from the Notice to Proceed, although the contract may be extended for time to complete work already assigned. Contracts will have an upset limit of \$800,000. Once the upset limit is reached or the two year term has expired, services may be re-advertised and no additional Letter Agreements will be executed under the contract. Contracts will not be modified to increase the upset limit or extended for time to assign new work. No Letter Agreement shall exceed \$200,000 without written approval from the State Highway Engineer.

The Selection Committee will rank and list the selected Consultants in consecutive order to determine the initial order for which projects will be assigned. Projects will generally be assigned on a rotational basis. The Department reserves the right to select one of the firms outside of the assignment order for a particular project if it is to the benefit of the Department. That firm, if selected out of order, will be skipped in the rotation when their turn comes and the regular order will be followed thereafter. The Division of Environmental Analysis reserves the right to group multiple projects together as one offering if it is advantageous to the Department. The Department may also add additional work to an existing Letter Agreement, if needed. A firm will not be offered an additional project until the remaining firms on the list have been offered a project. If a firm declines to accept a project, that firm will not be eligible to accept another project until the remaining firms on the list have been offered a project. If a firm declines a project or does not respond to an invitation to perform services for a project within five (5) business days, documentation shall be provided in the project files and the next firm on the rotating list shall be offered the project.
